

FEIF Education Seminar

23rd-25th of March 2018, Hólar, IS

Teaching to teach, a systematic approach to education of riding teachers, trainers and instructors

On behalf of FEIF and the University of Hólar, we would like to invite you to Hólar, Iceland for the FEIF Education seminar 2018.

The seminar will be held at Hólar University College in Iceland. The objective of the Equine Science Department of Hólar is to provide professional education in the fields of horse training, and management as well as pedagogics for riding teachers. Furthermore, the department works towards development and innovation within the field of equine science, through research activities.

In addition to the riding teachers at Hólar several speakers and professionals have been invited for practical demonstrations in the riding hall and lectures in the fields of pedagogics for riders, equitation science and training/coaching of horses and humans.

Our planned speakers include

The riding teachers at Hólar University College

Eyjólfur Ísólfsson –master trainer

Harald Müller – FEI Director of education

Isley Auty –coaching of riders

Lars Roepstorff – equitation science

The entire seminar will be held in English and is both theoretical and practical. A detailed time schedule and further information will be sent out in time before the seminar. The maximum number of participants will be 60 persons (in case this number is reached earlier, registration will close).

Eligible participants: Trainers/instructors registered on the FEIF matrix list have priority. Interested persons not listed on the FEIF matrix can register for the waiting list and will receive confirmation of a seat by February 1st, 2018. Waiting list places will be distributed in the order of registration.

License: As far as FEIF is concerned, this seminar should count for the purpose of continuous professional development for trainers which are licenced in their national association - but please check with your national organisation.
